SERVICES PAGE

FMCG Distribution

We distribute a wide portfolio of fast-moving consumer goods across Kuwait, including Food, Beverages, Personal Care, Household, and Consumer products.

Our structured distribution model ensures product availability, optimized stock rotation, and efficient supply chain management across all trade channels.

Direct Sales & Market Execution

Our trained sales force operates through structured route planning and regular market visits to ensure strong shelf visibility, merchandising standards, order generation, and effective trade relationship management.

Our sales network serves all major trade channels, including Modern Trade, Hypermarkets, Supermarkets, Cooperative Societies, Grocery Stores, and Down Trade outlets, ensuring extensive market reach and customer engagement across Kuwait.

Logistics & Supply Chain

Our logistics infrastructure includes warehousing facilities, inventory monitoring systems, temperature-controlled storage, and a dedicated delivery fleet.

We ensure speed, accuracy, product integrity, and reliable distribution performance throughout the supply chain.

Our mother company, Homaizi Pharma, also operates a specialized DSV division focused on warehousing and logistics solutions for non-food items.

Market Coverage

We serve all major trade sectors across Kuwait, including Hypermarkets, Supermarkets, Cooperative Societies, Grocery Stores, Specialty Retailers, Wholesale Channels, and Online Platforms.

Our extensive market coverage enables brands to achieve strong visibility, wider consumer reach, and sustainable growth across the Kuwaiti market.
